Online Portfolio: www.dcholloway.co.uk

PERSONAL PROFILE:

An experienced Front End Developer with a strong technical skill set. Hard-working, self-motivated individual who thrives on opportunities and challenges. Committed team player who demonstrates excellent leadership qualities and interpersonal skills. First-class analytical, design and problem solving skills. Dedicated to delivering to high quality standards.

KEY SKILLS AND ACHIEVEMENTS:

- Promoted from core products to new business.
- Being part of a small web team has meant I have led several projects from brief through to completion.
- I used my knowledge and experience to deliver a new booking process for Show and Stay.
- Consistently delivering freelance projects to tight deadlines, keeping to my client's specifications.

EMPLOYMENT AND VOLUNTARY WORK:

June 2007 – Present **Holiday Extras, Kent**

Front End Web Developer

Holiday Extras are the UK's market leader for airport parking, and UK short breaks.

- Promoted from Core Products to New Business
- Gaining valuable experience in content management systems, XHTML and CSS
- Using Smarty (Template Building Framework) to interact with PHP, XML and our back end systems.
- Using Javascript and PHP to write various plug-ins, which can be used across several of our sites.
- Working on a number of interesting, exciting and high profile contracts including Legoland, Chessington Alton Towers as well as a rebranding of in house sites, Show and Stay and Play and Stay.

Sept 2004 - June 2006 **Gap Inc, Kent**

Gap Inc are a busy high street clothes chain.

Sales Representative

- This position helped to assist me in furthering my experience within customer service.
- Product sales
- Assisting members of the public
- Cash handling and stock control

June 2005 – June 2006 **University of Kent**

IT Officer (Volunteer)

- Elected as IT Officer for the University of Kent Kickboxing Club.
- Main duties involved designing, publishing and maintaining the club's website.
- Other tasks included organising and speaking at social events.

Sept 2003 - Sept 2004 Cineworld, Kent

Team member

Cineworld are one of Europe's most popular cinema operators.

- My roles included customer service, ticket sales and stock control.
- This position has proved very helpful in helping me to experience face-to-face customer service and taught me valuable experience for future customer related roles.

June 2001 - Sept 2003 AA Automobile Association, Kent

Customer Advisor

The AA are one of the UK's most popular vehicle breakdown service.

- Gained valuable experience dealing with the general public. This also benefited my communicational and diplomatic skills.
- Received and dispatched emergency breakdown calls. Amend and add customer details.
- Promoted and trained within the Renault assistants department, dedicated to new Renault vehicles.

QUALIFICATIONS AND TRAINING:

BSc (Hons) 2:1 Multimedia Technology and Design at the University of Kent.

Access to Computing at Mid Kent College, Chatham, Kent.
